For: COMPOSITIONS AND METHODS FOR  
NON-TARGETED ACTIVATION OF  
ENDOGENOUS GENES

Examiner: R.R. Shukla

**AMENDMENT CORRECTING INVENTORSHIP UNDER CFR §1.48(b)**

MS Amendment  
Commissioner for Patents  
Post Office Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Please amend the inventorship of the pending application by deleting:

“Bruce Sherf and Stephen Rundlett”

from the list of inventors. The correct and complete inventor listing for the pending application should read:

“John J. Harrington”

**REMARKS**

Entry of this amendment is respectfully requested and is believed appropriate under 37 CFR §1.48 (b).

The amendment to correct inventorship is required because the prosecution of the instant application resulted in the amendment or cancellation of the claims so that fewer than all of the currently named inventors are the actual inventors of the invention being claimed in the instant application. The inventions of Bruce Sherf and Stephen Rundlett are no longer being claimed in the instant application.

The appropriate processing fee under 37 CFR §1.17(i) is included herewith.

Should there be any questions regarding the proposed amended inventorship listing, a telephone interview is respectfully requested to resolve such issues.

Dated: December 2, 2004

Respectfully submitted,

By
